Moderator: Mr Paul Adamson, founder and editor of E!Sharp

How European industry brings value to society in a globalised world

Testimony of Ms **Saori Dubourg**, Member of the Board of Executive Directors, BASF SE

Trade and changing production patterns

The global market is rapidly changing. Supply chains are integrating more and more. Markets are opening up. At the same time the topic of globalisation is contested by some and the debate has been intensifying over the past decade. How do we retain and re-balance the positive progress of a globalised world with delivering for people in their local communities? How can we make sure that trade policy delivers both economically and socially for companies and citizens?

Panellists

Prof **Ferdi de Ville**, Ghent university

Mr **Bernard Gilliot**, President of Federation of Enterprises in Belgium, VBO-FEB

Mrs **Carola Lemne**, Director General of Confederation of Swedish Enterprise, SN
